Electrical connection systems
Copper tubular cable lugs and connectors

Klauke®

Tubular cable lugs, copper 0.75 - 6 mm² standard type
for fine stranded conductors

Characteristics

- With inspection hole
- Annealed material optimises material and crimping properties
- Flat contact surface and precise screw ends for simple cable insertion

Material

- Copper to EN 13600

Surface

- tin plated

- Выберите наконечники и соединители.
- Через перекрестную ссылку перейдите к таблице инструментов.

- Пиктограмма наконечника и соединителя указывает на соответствующую таблицу с рекомендуемыми инструментами.
- Выберите предпочтительный тип инструмента.
- Предварительный выбор подходящих пресс-инструментов по параметрам опрессовки и профилю опрессовки.
- Указанный номер страницы отправляет к пресс-инструменту.
